

Limoneros 18 Capistrano Village

Sleeps 4-7 people.
This is a well appointed 2 bedroom, 2 bathroom pueblo style villa in the very popular Capistrano area of Nerja. It is perfect for family holidays, but quiet enough for a well deserved relaxing break. The indoor pool and full central heating in every room allows you to have the best of both worlds during the winter months.

From a pleasant pathway enter into the rear of the villa into the fully fitted kitchen complete with dishwasher. There is an electric oven with gas hob, fridge and double stainless steel sink. A separate cupboard houses the washing machine.

The living room is very spacious and tastefully furnished including a very comfortable bed sofa. There is full gas central heating throughout to keep you warm in cooler months. A satellite T.V. via cable receiving many English channels, together with tasteful decoration adds to the charm of this beautiful room. There is a feature low wall with balustrades which separates the dining area containing a good size dining table and dining chairs. From here there is a double French door to a patio with patio furniture and overlooking the lower patio. Take the marble stairs down to the very pleasant well cared for garden and patio area having flowers, shrubs and a pleasant water feature. There is also a B.B.Q. and sun loungers.

At the other side of the lounge there is a guest w.c with wash hand basin, next to the stairs which lead upto the bedrooms. The first bedroom has twin beds, fitted robes, drawers and an en-suite shower room with shower cubicle, wash hand basin and w.c.

The second bedroom has a double bed and an en-suite bathroom complete with bath and shower over, shower screen, bidet, wash hand basin with vanity unit and w.c. The patio from this room has chairs and it overlooks the lower patio towards Nerja and the sea.

Capistrano Village is a beautifully kept holiday village with walks and pathways both around and through out. There are three outdoor pools, an indoor pool and sauna (both open in winter months), two bars and a restaurant, a laundrette and a mini market. The gardens are very well looked after and offer a profusion of colour at every turn.

We can also add an extra Z bed in this property for an extra cost of £35 per week.
